Dear Community Friend,

Fort Bend Friends and Neighbors consist of Fort Bend residents who participate in social, educational and charitable activities within the community.

FBFN provides and promotes:

- An opportunity for members to become acquainted with others in the community.
- An atmosphere of goodwill, friendliness and helpful information about the community.
- Charitable and humanitarian projects within the community.

Each year, Fort Bend Friends and Neighbors give back to our community through their scholarship program. The scholarship will help a desired Fort Bend County student with tuition and books. Our scholarship program is designed to assist Fort Bend County high school seniors planning to attend a Fort Bend junior or community college.

Fort Bend Friends and Neighbors publish a membership directory annually. We invite you to promote **YOUR** business in our new pictorial FBFN directory. An ad cost is only \$50, \$75, \$100 and \$200. Attached is the FBFN Advertisement Order form.

Fort Bend Friends and Neighbors would be very pleased and privileged to have your business advertise in our directory for 2011-2012. Our deadline for receiving ads is **August 1** so please promptly submit your request.

Thank you for your kind consideration. If you have any questions, please contact me at [directoryads@fbfn.org](mailto:directoryads@fbfn.org) or 832 498-7676

Sincerely,

Gayle Daniel
